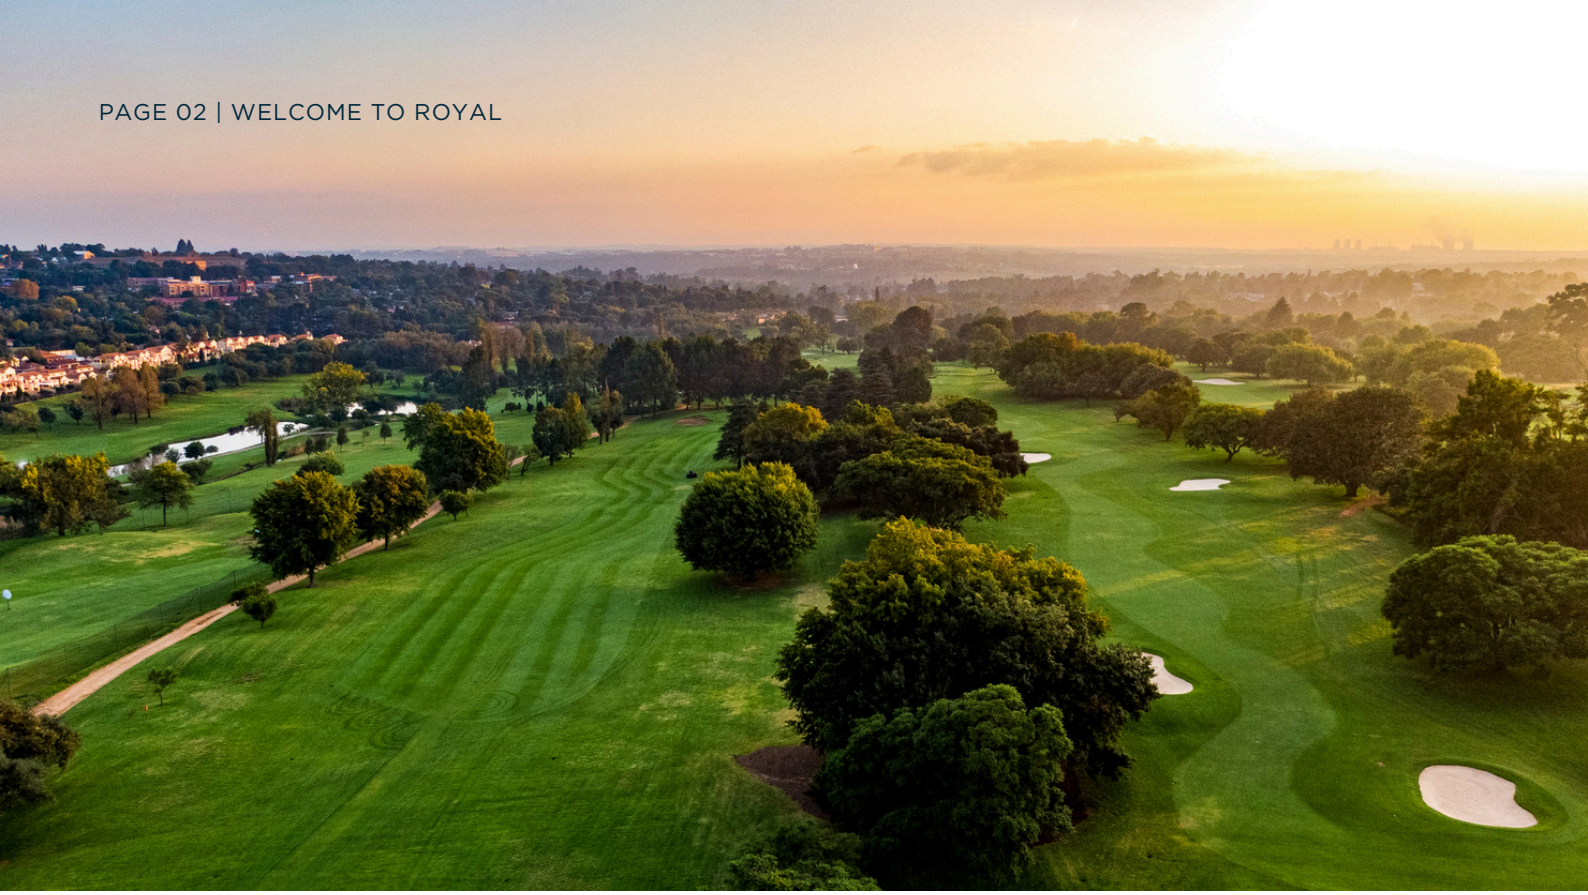
Corporate Golf Day Information Pack

EVERY DETAIL. DISTINCTLY ROYAL.



Your day, considered from first tee to final prize.

Royal Johannesburg offers the rare advantage of two distinctive parkland courses, a central Johannesburg location, and an experienced team that understands what makes a corporate golf day work.

From arrival and registration to golf, hospitality, scoring and prize-giving, we will help you shape an occasion that feels effortless for your guests and straightforward for your organising team.

This pack brings together the key options, rates and planning information for your 2027 event. Our team will work with you throughout, ensuring every detail reflects your objectives and the standard your guests expect.

We look forward to welcoming you to Royal Johannesburg.

The Championship East Course

Designed by Robert Grimsdell in 1939 and comprehensively upgraded in 2017, the East Course is a contemporary championship parkland layout. It rewards thoughtful play, presents a meaningful test for accomplished golfers and remains enjoyable for the club golfer.

The course has earned significant international recognition, including World Golf Awards for South Africa's Best Golf Course and Africa's Best Golf Course, a place in Golfscape's World's Top 100 Golf Courses, and Course of the Year recognition from Luxury Travel Guide.

PAR 72 | 7 001 METRES | KIKUYU FAIRWAYS AND TEES | BENTGRASS GREENS

The Royal West Course

Designed by Laurie Waters in 1927, the West Course offers a different rhythm and character. Its sweeping fairways and generous greens invite confident play, while mature trees, water and well-positioned hazards reward accuracy.

Following a greens refurbishment in 2022, the West Course combines classic parkland character with exceptional putting surfaces. It is welcoming, memorable, and suited to golfers of all abilities.
